[Automation  
Workshop 2004  
April 2, 2004](#)

Our annual workshop is designed to provide a forum for automation professionals to exchange ideas and experiences across a variety of business sectors, and each year is attended by representatives of a wide variety of businesses throughout the automation industry. For more information or to register, please contact us or visit our website at [www.JrdnEng.com](http://www.JrdnEng.com)

### We Can't Spell Success Without U Award

At our Christmas Open House in December, we were very pleased to present our Annual Awards to:

**Robert W. Hunt, P.Eng.**  
**Durez Canada Corporation**

**John McLaughlin**  
**Durez Canada Corporation**

As we grow, develop as a company and earn our place in the automation industry, we owe a sincere thank you to the individuals and companies that have provided us opportunities and mentorship during our early years! **Durez Canada** in Fort Erie has provided us with opportunities to shine on projects over the last year, and the success of these projects has led to new opportunities, development of improved in-house standards and has strengthened our team as a whole.

With the guidance of John McLaughlin and the vision of Rob Hunt we have completed innovative projects such as:

1. Interlock screens (featured in our September newsletter) using InTouch (Wonderware) and Modicon PLC's
2. ThinClient Technology using ACPThinManager and InTouch for Terminal Services  
Web based reporting using SuiteVoyager and Microsoft SQL.

In addition to this, John McLaughlin and Rob Hunt both encouraged our office to participate in a 12 week long Dale Carnegie Project. Rob Hunt actually came out each Tuesday night and coached our staff as they progressed through the program, while in the wings John McLaughlin provided regular encouragement on the Dale Carnegie project and guidance throughout the exciting projects for Durez. John's cross discipline approach to troubleshooting has given us the opportunity to expand our own skill sets and provide more complete services to our clients.

Thank you again to both our recipients!

---

## Silent Auction to Benefit Women's Place

Once again, our annual Christmas Open House featured a Silent Auction, with all proceeds going to [Women's Place St. Catharines](#). We are proud to announce that through the generosity of our guests and donors, we were able to raise \$1,200 for this great cause. We would especially like to thank the following who contributed items to be auctioned:

- Neil Thornton, *The Crone Group*
- Larry Hitchcock, *Excellence in Magic*
- Peter D'Aurora, *Schneider Electric*
- Dave Augustyn, *Women's Place*
- Ann Raby
- Judy Trussler, *Jamin' Cardio*
- Linda Nunnamaker, *Niagara Presents*
- David Sloan, *Gryphon Engineering International*
- Tom Grubb, *CT Services*
